

## Wrap Around Care

Uplands Junior L.E.A.D. Academy provides a free breakfast club from 8am. There is no need to book, children may access this as and when they or parents need to use it. Children should sign in at the school reception on entering school. Parents should note that there is no adult supervision until 8am so please do not drop you children off before this time.

After school clubs are available Mon-Thurs. Timings are 3.15-4.15. Collection should be at the school reception at 4.15. If you wish your child to walk home alone, please let us know. Mrs Wood leads the after-school provision and can be contacted via the school office or by email [twood@uplandsacademy.co.uk](mailto:twood@uplandsacademy.co.uk).

For parents who work and need additional childcare around the school day, please find a list below of local providers (supported by Leicester City Council).
