SEND Coffee Morning

Stronger Transitions Brighter Futures

Good Conversations Brighter Opportunities

Inform ♥ Support ♥ Together

A successful SEND Coffee Morning today at Uplands!

We were delighted to welcome Ms Heer-mith, Secondary School SENDCo from Moat, the Head of Year 7 and four wonderful students, who joined us to talk about transition to secondary, the support available and building independence.

Parents had the opportunity to ask questions, share experiences and navigate next steps with confidence.

"Thank you to our guests for sharing their time, knowledge and experiences!

What parents said...

"This coffee morning is a boost and helpful for parents. We discussed how school are organised to support the children."

"It was really reassuring to know how secondary schools work with the SEN children. Thank you for organising this."

"Really informative and helpful as always. Thank you."

"Teachers are very helpful. Very reassuring. Helps with plans and next steps for child."

Clearer Pathways

Greater Confidence

More Independence

A Brighter Future

Working together for every child to thrive ♡
