## Head Teacher Message

We are now one week into Autumn 2 and we are expecting our nights to draw in and temperatures to begin to drop. Please ensure that your children are appropriately dressed for the weather.

### Safeguarding

It has been brought to my attention that some children are being allowed to watch **Netflix's "Squid Game" on Youtube**. The content on this game is not appropriate for children under 18. **This programme is for adult viewing only**. The concern is that children are now acting out the games on the playground and this could have dangerous results.
