

Newsletter

Thank you to all our parents who came to see a maths lesson in action this week. Your children really appreciate you coming in, as do the staff. We hope events like this help you to understand what we are teaching and help you to support your child's home learning.

Partnership between home and school is essential for children to achieve success and to feel confident. We will hold more in the autumn term.

Parent feedback

"I enjoyed the lesson. The teacher method of teaching was very good. I am happy with the children's learning in class. They are progressing well. I am happy that I was invited into school. Thank you."

"We really enjoyed the maths lessons together. I am looking forward to more lessons with my daughter. Thank you."

"I enjoyed the lesson as it was full of information on the topic. There were lots of questions, which are beneficial for everyone as this helps us to recap over what had been learnt. The lesson was interesting, and everyone was engaged and focused which is important. I learnt a lot from this lesson."

We value **your voice** and would like you to join us on our journey of improvement.

Diary Dates

24 th & 26 th May	Y6 Conkers Visit
25 th May	Summer Fair 2.30 - 4.30pm Parents invited.
27 th May	School Jubilee Picnic
9 th -11 th June	Year 6 Residential to Crowden Education Centre in the Peak District.
4 th July	4CS/4AG Visit to Botanical Gardens
5 th July	4JD/4TW Visit to Botanical Gardens
7 th July	Last day of summer term is Thursday – no school on Friday 8 th July.

We can look forward to a fun and exciting last week of term. The Year 6 will be visiting Conkers to celebrate the end of SATs, we hope parents, carers and children join us in our first Summer Fair on Wednesday 25th May and to end the week we will be celebrating the Queen's Platinum Jubilee with a whole school picnic on Friday. Children are welcome to come to school dressed in red, blue or white.

Safeguarding

The Designated Safeguarding Lead is Mrs Gatherum, Miss Southwell is the Deputy Safeguarding Lead and SENCO, Mrs Raybould is a Deputy Safeguarding Lead.

ECO NEWS

Tuesday 24th May 2022: Plastic Clever Schools Assembly

The Plastic Clever Schools are part of the Eco Schools projects that we would like to introduce now, in time for a prompt launch the next academic year. The team will be focusing on how to reduce single use plastic. In autumn, we will be looking at teaming up a year group with them, to focus on this eco element and carry out some workshops.

Wednesday 25th May June 2022: Eco stall at the school fair

As mention in the previous Eco Newsletter, The Eco Warriors will have a stall where you will be able to buy eco-friendly plants/pots and seeds. You will even have the opportunity to muck in and get stuck in –make your very own eco pots for a small charge! Be sure to check out our stall and help make difference to our planet!

Wednesday 8th June 2022 from 9.00am-10.00am: Community Litter Pick

The Eco Warriors would like to launch our very first community litter pick in the final term! Mrs Adam and the Eco Warriors would like to invite all parents to come to school and join us in cleaning up Highfields around the school! The plan is to count the amount of bags we can manage to fill up with rubbish and the Eco Team will then measure and analyse this data on a monthly basis. This will be displayed on the Eco Display and reported in the newsletters too. Hopefully with a *small* step with the right intention, we will make a *big* difference to our community so join us in making that difference!

Class Attendance Winners

School attendance for this week was **97.3%**

Upper school winner is class **5AP**

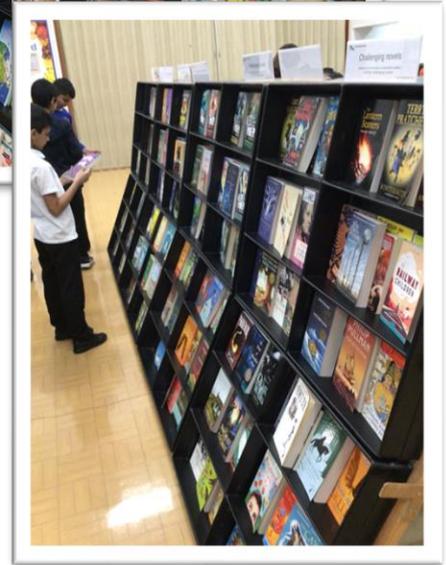

Lower school winner is class **4AG**

We value **your voice** and would like you to join us on our journey of improvement.

Book Fare

Thank you to all the children, parents and staff who purchased a book at the Roving Book Fare today. As a school, we were able to hit our £1000 target but more importantly, the children were able to access a range of high-quality literature. Thank you, Rob and the team for coming in and making our day special. The money raised by the book fare will allow us to buy new, exciting and high-quality text for our topic work in the Autumn term. Happy reading to all those who purchased a book.

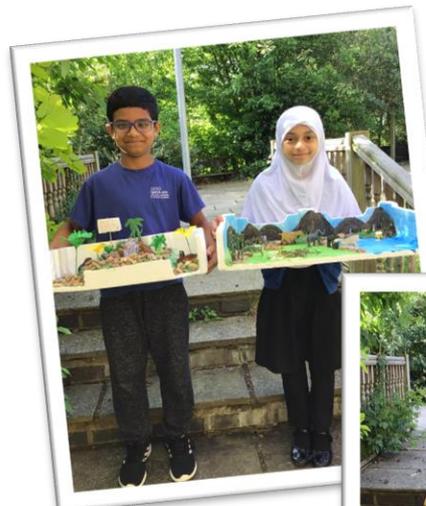

Times Tables Rock Stars Guinness World Record attempt:

On Wednesday 18th May, our Year 4 children took part in a times table live stream. The idea of the stream was to have as many different children involved in a times table sing and dance along. The children were able to practise their times tables in a fun and memorable way.

Homework:

In year 4 we have been working hard to complete various activities linked to our topic of the rainforest. These amazing children have made models of their rainforest at home and what wonderful models they are. Well done to all those who have taken the extra mile and completed a thoughtful piece of homework this term.

Summer Fair

25th May 2022
2.30 – 4.30pm
