

## LIVE Grammar and Punctuation Shows

On Friday 2<sup>nd</sup> December, the whole school took part in a live grammar and punctuation show led by Barrie McDermid. The children sang songs, watched comical sketches and participated in the show to help support their grammar and punctuation knowledge in areas such as: ellipses, semi-colons, different clauses, brackets and much more. All the children thoroughly enjoyed it; the staff commented on how good and interactive it was too.
