

**Open classroom 2.2.23 – Grammar and punctuation.**

I enjoyed how the teacher teaches the children and makes sure every child understands and concentrates in class. It is really very helpful for parents to know what and how the children learn. Thank you.

It was very good, I enjoyed the way the teacher was teaching it. She made it very easy to learn and remember.

I appreciate the way of teaching, keep going and well done.

The class discipline is very good.

Thank you for a wonderful lesson, it was really interesting and educational.

A very good classroom and I like all the things, you are excellent Miss Patel. Thanks for welcoming me.

Thank you for inviting me into class, before I didn't know what work was taught and the method and now I do.

I am happy with the support my child gets.

Thank you for the lesson on parenthesis.

It is nice that enough time is given for the children to understand each word, I really feel good coming here to these sessions. Thank you.

A helpful class to help my child learn at home. Really enjoyed the class and the interaction with my child. Thank you teachers for all the support and the hard work you put into their education.

I enjoyed today in your classroom because I understand little English and find my son's homework difficult. I like these lessons and I hope to be invited again.

This session was extremely helpful and we both enjoyed it. I have learnt a massive amount in this short session. Thank you
