

# Eco School and Warriors

You will be pleased to know that we have an Eco School committee at Uplands LEAD School who will meet regularly to discuss and bring positive changes to our school, community and environment. Our fantastic Eco Warriors are:

<u>Year 3</u>	<u>Year 4</u>	<u>Year 5</u>	<u>Year 6</u>
Zuha Rehman Yusuf Bhula Suhaimah Ayyad Abeeha and Khadija Jannat Ala Uddin Farhan Masud	Abdurahman Yusuf Makhdum Aaisha Halima Iftikhar Patel Maryam Mamun	Idil Aden Anas Dam Huda Saliya Hadiyah Mehmood Nalin Sarkar Mohammed Dalal	Nafsa Anisah Iqra Sakir Nawa Mohammed Marwa Raheel Rahil Uwais

## What they do

The Eco Warriors care about our school, community and the world. They strive to look after our environment so that we can enjoy a bright, clean and sustainable future.

## Their primary aims are:

1. **BIODIVERSITY AND SCHOOL GROUNDS** -To learn about and raise awareness of current environmental issues
2. **ENERGY**- To understand why it is important to look after our world
3. **LITTER**-To be pro-active and take action for our environment

## ECO POLICE

This year we will continue the 'Eco Police' who plan to check class rooms are not wasting energy, will give each class a daily traffic light energy rating. You have been warned! This will support our commitment to Energy Sparks who is part of the Sustainable Schools and they aim to save schools energy, money and overall prevent climate change!

## OUR COMMUNITY LITTER PICK

We are so pleased to say we had a great successful litter pick this week. We had the biggest turn out of amazing parents who helped to go around the whole of the school, including the infants and Melbourne Road!

We found tons of rubbish including plastic bottles, straws, card, cans, food and even some socks! Yikes! The Eco Warriors will be analysing all the different types of rubbish in the new term and creating a report for our school.
